VALUATION RULES

Général

L'association a opté pour la tenue d'une comptabilité simplifiée où les charges et produits sont enregistrées respectivement lors de leur paiement ou de leur réception. Les avoirs et dettes sont quant à eux repris, conformément à l'article 3:184 de l'Arrêté Royal d'exécution du Code des sociétés et associations (AR/CSA), dans un état du patrimoine établi à la date de clôture de l'exercice. Cet état du patrimoine reprend l'ensemble des dettes, des avoirs, des droits et des engagements de l'association.

Avoirs

Investissements

Les immeubles, les machines, le mobilier et le matériel roulant qui appartiennent à l'association sont repris dans l'état du patrimoine à leur valeur historique d'acquisition. Si le conseil d'administration décide de reprendre le bien à sa valeur de marché, l'information sera clairement indiqué dans l'annexe.

Les immeubles, les machines, le mobilier et le matériel roulant qui n'appartiennent pas en pleine propriété à l'association ne doivent être repris dans l'état du patrimoine que s'ils sont significatifs. Lorsque le conseil d'administration estime que certains de ces avoirs ne revêtent pas un caractère significatif, il s'en justifie dans l'annexe. Les avoirs difficilement évaluables sont indiqués pour mémoire dans l'état du patrimoine et font l'objet de mentions appropriées dans l'annexe.

Créances

L'état du patrimoine reprend les créances à leur valeur nominale historique.

Placement de trésorerie et liquidités

Les placements de trésorerie ainsi que les valeurs disponibles sont reprises à leur valeur nominale. Les comptes en devise sont convertis en EURO en prenant le taux à la date de clôture comme référence.

Dettes

Dettes

Sous cette rubrique sont reprises les dettes financières, à l'égard des fournisseurs et des membres ainsi que les dettes fiscales, salariales et sociales. Les dettes doivent, d'une part, être reprises à leur valeur nominale et, d'autre part, refléter les dettes existantes à la date d'inventaire.

Les dettes en devises sont quant à elles converties en EURO en prenant le taux à la date d'inventaire comme référence.

Résultat reporté

Sous cette rubrique, est inscrit soit le montant des bénéfices ou des pertes de l'exercice et des exercices antérieurs.

Droits et engagements

Les droits et les engagements, qui sont susceptibles d'avoir une influence importante sur la

situation financière de l'association, doivent être mentionnés dans l'état du patrimoine. Lorsque ces droits et engagements ne sont pas susceptibles d'être quantifiés, ils font exclusivement l'objet de mentions appropriées dans l'annexe.

Travail bénévole

Conformément à la législation comptable en vigueur, le travail bénévole n'est pas enregistré dans la comptabilité car aucune dépense n'est effectuée, sauf si le travail du bénévole augmente de manière sensible la valeur des bâtiments et du matériel. Dans ce cas, il en sera tenu compte dans l'état du patrimoine.
