

# Nathalie van der Velde

Borneostraat 4-T, 1094 CJ Amsterdam | +31641305779 | n.vandervelde@amsterdamumc.nl

## Degrees

- Doctor in Medicine: University of Amsterdam (M.D.) (2001)
- Master in Clinical Epidemiology: Erasmus University (Msc.) (2006)
- Doctorate in Geriatric Medicine: Erasmus University (PhD) (2007)
- Consultant Internal Medicine: Erasmus MC (2009) Consultant Geriatrics: Erasmus MC (2010)

## Current and previous posts

- Professor and consultant in Geriatrics at the Amsterdam UMC (AMC), The Netherlands
- Co-chair research program Ageing & Later Life of Amsterdam Public Health alliance institute of Amsterdam UMC, The Netherlands (2015-2022)
- Director Geriatric Medicine Fellowship, Amsterdam UMC (AMC), The Netherlands (2014-2022)
- Head Dept. Geriatric Medicine AMC, Amsterdam, The Netherlands (2014-2017)
- Deputy director Geriatric Medicine Fellowship, AMC, The Netherlands (2010-2014)
- Senior Researcher at Geriatrics Erasmus MC, Rotterdam, The Netherlands (2010-2014, part-time)

## Editorial and review services

- Deputy Editor-in-Chief Age and Ageing (since 2022)
- Associate Editor and Deputy Editor Age and Ageing (respectively since 2020 & 2021)
- Associate Editor Annals of Medicine (since 2020)
- Member Grant viewing committee Velux Foundation, Denmark (since 2020)
- Advisor Dutch governmental policy falls prevention approach (since 2020)
- Advisor Amsterdam Municipality (GGD): falls prevention (since 2016)
- Evaluator of research applications in (inter)national competition: Dutch Heart Foundation, International Rheumatology application, Innovation grants Aging & Later Life, Amsterdam Public Health, Several national ZonMW grant applications (since 2014)
- Regular abstract committee assignments for a.o. EuGMS, European Falls Festival, Dutch Geriatrics Conference, International Falls, Frailty & Bone Health Symposium, Dutch Falls Symposium, Amsterdam Public Health annual meeting, Aging and Later Life Symposium (since 2014)

## Positions held in (inter)national societies

- Board member Fragility Fracture Network (representative EuGMS) (since 2023)
- Board member Academic Board EuGMS (since 2022)
- Co-chair EuGMS SIG Falls and Fractures (European Geriatric Medicine Society: EuGMS) (since 2021)
- Member European SIG Falls & Fractures (EuGMS) (2015 – 2021)

- Board member Dutch Society on Syncope & Autonomic Disorders (since 2020)
- Member executive committee Dutch guideline Falls & Dizziness (Dutch Geriatrics Society) (since 2020)
- Chair committee Dutch Indicator Set on Falls prevention in-hospital setting (Dutch Geriatrics Society) (since 2019)
- Member Research and Innovation Council Dutch Federation Medical Specialists (2018-2022)
- Member SIG Pharmacology EuGMS (since 2017)
- Founder and chair EuGMS Task and Finish group on fall-risk-increasing drugs (since 2016)
- Organizing regular (submitted) symposia and meetings for a.o. EuGMS T&F group on fall-risk increasing drugs and EuGMS SIG on Falls & Fractures (since respectively 2016 and 2021)
- Chair committee Dutch Falls Prevention Guideline update (Dutch Geriatrics Society) (2014-2018)
- Member Scientific committee Dutch Geriatrics Society (since 2013)
- Chair Dutch SIG Falls Prevention (Dutch Geriatrics Society) (since 2012)
- Member WKG (working group geriatric pharmacology) committee (NVKG) (2010-2022)
- Member of the European Academy for Medicine of Ageing (EAMA, since 2009)
- Member of committee on Tutorship of Dutch Geriatrics Society (NVKG) (2008-2009)
- Member Dutch Network of Fall clinics (NVKG) (2005-2012)
- President of Dutch Board Trainees Association of Geriatric Medicine (NVKG) (2003-2006)

### Professional chairwoman- and memberships

- Member executive (organizing) committee of the World Congress on Falls and Postural Stability (since 2020)
- Co-chair task force World Guidelines on Falls Prevention and Management (since 2019)
- Board member (organizing) European Falls Festival (Belgium 2022, Malta 2024)
- Chair local organizing board European Falls Festival, The Netherlands (2016)
- Member International Steering Committee STAREE (2016-2021)
- Member Dutch Society for Research on Aging (DUSRA) (since 2016)
- Local organizing board European Falls Festival (Netherlands) (2016)
- Member klachten commissie (*complaint-committee*) AMC (2015-2017)
- Member Syncope guideline-implementation working group (NIV/NVKG) (2015 – 2018)
- Founder and chair board of Dutch Falls Symposium (annual) (since 2013)
- Chair/expert member JCI/VMS falls prevention committee (AMC) (since 2012)

### Societal activities

- Successful co-grant application & co-organizer 'Grey power' project for Aging & Later Life (A&LL): debate series to connect researchers, older citizens and other stakeholders (2020-2021)
- Co-developer Patient Panel for Amsterdam Public Health, A&LL (2020)
- Co-organizing of UP! medical-ethical debate for citizens, policy makers & researchers on frailty for A&LL (2019)

- Development of patient information material on falls in collaboration with patients (since 2016)
- Instalment Falls Patient Panel AMC Geriatrics (2016)
- Regular press outreach activities on falls prevention and other geriatric topics including among others national Television (8x), national newspapers (12x) Dutch popular journals (4x), national radio (2x) (since 2007)
- Organizing several yearly national and regional symposia (and lectures) for trainees Geriatric Medicine and Internal Medicine Societies (since 2013)

## Output indicators/bibliometric parameters

- H-index: 41 (Web of Science); 49 (Google Scholar)
- Number of international peer reviewed publications: >200 (>50 first/last author)
- Citations without self-citations: 6.966
- Book chapters: 10 on topics falls prevention, syncope/TLOC and pharmacology/deprescribing
- Presentations conferences (national & international): >150

## Research funding

### • Ongoing (total: €5.616.869,-)

In respectively 2016, 2018 and 2019 Amsterdam University Fund (AUF) (CAREFRee), main applicant: €578.000 & €267.895 & €23.000. In 2018 ZonMW GGG (ADVICE\_IT), main applicant: € 794.256 and NWO DATA2PERSON (SNOWDROP), co-applicant: € 580.000. In 2018 & 2021 & 2022 AUF (CAVE), main applicant: €159.005 & €220.000 & €47.231,-. In 2020 & 2023 GGD & VeiligheidNL (OVAST), main applicant: €125.000 & €35.000. In 2021 Dutch Research Council (DOMINOES), co-applicant €848.850. In 2022 ZonMW ZEG&G (SAFEST) €1.540.010, co-applicant; VWS (Dutch Government) (OVAST national) €371.122, main applicant. NWO DATA2PERSON (top-up) € 27.500,- co-applicant.

### • Completed (total: €2.798.870,-)

In 2010 ZonMW Priority Medicine Older Persons (B-PROOF), main applicant: €997.000. In 2012 Nutricia Research Foundation (B-PROOF), main applicant: €25.000. In 2014 SKMS fonds (Falls Guideline), main applicant: €100.000 and IPP-Med (TAVI), co-applicant: €8.900,-. In 2015 AMC innovation grant (elderly care), co-applicant: €200.000. ZonMW Memorabel (Migrants), main applicant: €139.562; RAAK (BRAVO), co-applicant: €270.103; ZonMW GGG (RECALL), co-applicant: €290.000. In 2017 ZonMW (FallsPrevention), co-applicant: € 199.982; AMS infrastructure grant (C-mill), co-applicant: €50.000, AMC innovation grant (SCOPE), co-applicant: €360.000. In 2018 A&LL innovation grant APH (CAREFRee EU), main applicant: € 50.000. In 2019 allotment AMC dean (SCOPE), main applicant: €108.323.

## Honors and awards

- Honorary membership British Geriatrics Society (since 2021)
- Top-cited article JAMDA (2018)
- 1 year clinical leadership program of AMC (2016)
- 2 year leadership program of NVKG (Dutch Geriatrics Society) (2015-2016)
- 2 year career development program of the Erasmus MC (2009-2010)
- Best Thesis in Geriatric Medicine 2007-2008, Dutch Geriatric Society (2008)
- British Journal Clinical Pharmacology prize, best articles (2007)

- Best Poster: Dutch Geriatrics Society (2006)
- Runner-up best poster: Science day Internal Medicine Erasmus MC (2005)
- Best poster: 7. Wiener Internationaler Geriatriekongress (2004)
